

SMITHVILLE ALL-SPORTS BOOSTER CLUB

2025-2026 Membership Drive

The Smithville All-Sports Booster Club is a non-profit organization that supports all athletic programs from 7th through 12th grade. During the past several years the Booster Club has purchased team uniforms, sports equipment, and helped with the track expansion, weight room, and Berkey lobby projects. In addition the All-Sports Booster Club awards scholarships to graduating seniors whose families are active Booster Club members. Only through the continued support of you and the community are we able to continue to provide for our Smithville athletes.

We thank you for assisting the Booster Club with our membership drive and we look forward to supporting the Green Local School District athletic programs.
